

Cards Play Palatine At Arlington, Friday

Biggest Game Of
Year With Palatine
No Longer Favorite

The "Battle of the Year," in other words the annual basketball set-to between Palatine and Arlington on the Arlington floor, will be staged this Friday night. A large crowd, as usual, is expected to turn out for this game, both from Arlington and Palatine, who seldom, if ever, go to another game all year. This seems to be the one game of the season which stirs the pulses of quite a few of the old time rooters. And of course, all the present crop of fans both in and out of school will be on hand to root themselves hoarse for their respective teams.

Earlier in the year when Palatine was at the very peak of its game and before their present two game losing slump, the Pirates gave the Cardinals a sound trouncing, on the Palatine floor. When the smoke of the battle had cleared off Palatine was on the long end of the 39-20 score. Arlington was hardly out of the football season at the time, and very plainly showed it. Palatine had played over twice as many games and was in rare shooting form against the Cardinals, witness their 14 field goals, out of 46 attempts for an average of 30.5%. On the other hand Arlington could connect with but 9 goals out of their 54 shots for a 16.6%.

Unexpectedly Hollinger and Buenoz were the high point men for Palatine for the first and only time this year. In fact Buenoz was collecting four buckets against Arlington in his season's total baskets of both before and since. It remains to be seen if Arlington can bottle up these two boys this Friday as well as put the clamps on the real hot shots of the Palatine team, Stewart, Snyder and Hahnfeldt.

At the time of the first game Arlington's lineup was going through an early season metamorphosis. O'Hagan was out of the game, Milligan was nursing a game leg, and replacements which were not yet ready for first team play. Since then Henken and Schuilenberg have made great strides, and one or both, will be lined up with Capt. Mayerck at the forward spot. Kehe has stepped right along and it is a question whether he or Milligan constitute the best center. Since Milligan is definitely out of the game this week, the entire center burden will likely fall upon Kehe's shoulders.

Becker has been making such rapid strides since the beginning of the season that he seems to have earned himself a permanent berth at the floor guard. Hull has learned a lot at the back guard since that first Palatine game, and with O'Hagan finally reaching his real playing form, as was witnessed by his exhibition at Barrington last Friday, the Pirates will find it slightly more difficult to get past this trio of guards, no matter which pair is playing.

While these seven boys will probably constitute the nucleus of the Cardinal lineup for Friday night, there are several others who are ready and competent to step into the lineup at any moment. Folkman, Koelling and Beckman are most able forward replacements, and Koelling and Bartelt can take over the guard burdens.

Palatine has been playing the more consistent ball, but in these Pirate-Cardinal settos anything can happen so the Arlington boys are hopeful that perhaps this Friday will be their time.

The lightweight game is likely to be a hummer also. Although Arlington dealt the Palatine lights a 18-10 trouncing in their first game the younger Pirates have been coming right along of late. Although recently the "Green Lardnades" have been sweeping everything before them they will have to be at their best to stop the oncoming Palatine Juniors.

Assuredly a full house will be on hand, come either snow, rain or ice. So it will behoove those planning on being present to be there ready to see Arlington lights take on the revived younger Pirates at 7:30.

Family Asks \$30,000 Damages From Bus Co.

Suit has been filed in Superior court by Jeff Hinz, Alberta, Ramona and Joan Hinz and J. Hargrave, administrator of the estate of the late Mrs. Jeff Hinz, against the Chicago Motor Coach and Martin Ewert for \$30,000 damages for the death of Mrs. Hinz and injury of the other four in an automobile accident near Lake Zurich June 4. A motor coach laden with Chicago people collided with the Hinz car. The sum of \$10,000 is asked for Mrs. Hinz's death and \$5,000 for each of the four injured. They lived at Wauconda. The motor coach is alleged to have been driven faster than was safe considering the traffic conditions at the time.

NEW SHERIFF INSPECTS

Thomas J. O'Brien, newly elected sheriff in Cook county, made his first full inspection of equipment and personnel at the Morton Grove county highway police station, Tuesday morning. Everything was found in order and in good shape.

Village Elections To Be Under New Registration Law

Future village elections in Cook county must be held under the registration law, using the registration cards as authorized for County and State elections, but the municipality can name as many or as few polling places as it desires.

Voting under the registration law consumes more time than the old method and many villages with one polling place will be threatened with a voting jam unless additional election clerks or polling places are provided.

Arlington Heights, after receiving the above information at its special meeting Monday night, directed Attorney Thal to prepare the necessary ordinance for passage at the next meeting designating two polling places. At county elections there are six polling places within the corporate limits of Arlington Heights.

The first date for filing nomination petitions for municipal election is February 17, according to village clerk McElhose.

With one vacancy on the Arlington Heights village board, the terms of Al. Adam and George Klein expire with that of police magistrate, Wm. Neuman. From present indications the above three will be candidates for re-election in addition to a number of new candidates. No ticket has yet been formed so far as this newspaper can learn.

Boy Scout Week February 8-14

The Scouts are celebrating a birthday again—the 29th this time—during the week of February 8-14, with a message that "Scouting Carries On American Ideals," ideals of service and cooperation, tolerance and religious obligation, and homage to the responsibilities and privileges of participating citizenship. It is a welcome portent for the future of American democracy that more than a million and a quarter men and boys are now active members of a movement which, although founded to capitalize on the love all boys have for adventure in the out-of-doors does not fail to provide practical training for helping them fulfill the obligations felt by every genuine American.

Scouting has succeeded in becoming a part of the American boy's world because it is a program of action plus idealism. So it has a two-fold appeal, demonstrated by its growth in popularity each year, in many sections limited only by the lack of leaders or adequate funds of extension. Measured in terms of boys who want to be Scouts there is still much room for growth. Measured in terms of results produced the Boy Scouts of America has already paid any debt due the American people for the operating charter granted it by Congress many years ago.

In our own community now there are many men, part of the 8,400,000 who have been included in the Scout family since 1910, who believe in the principle that "Once a Scout, always a Scout" and who are doing their best to extend and interpret in practice the concept of civic and moral responsibility that came to them in their Scout Troops. For this reason, if for no other, America has every right to be proud of its Boy Scouts.

New Drum and Bugle Corps To Be Organized At Mt. Prospect

At a meeting held last Friday evening, sponsored by Mt. Prospect American Legion Post, a group of interested parents decided to reorganize and continue the Mount Prospect Drum and Bugle Corps.

It was decided to operate the Corps as a community affair permitting all boys of the community from nine years of age upward, to join the Corps and take advantage of the training offered. The first rehearsal under this new set-up will be held in the public school basement on Thursday evening, January 26, promptly at 7:15 o'clock.

To help defray the incidental expenses a nominal charge of 25 cents per month, payable in advance, will be made for each member and the boys will be required to furnish their own bugles or practice drum sticks as the case may be.

Advance reports indicate a large enrollment and with the expert instruction being made available through the American Legion Post, every boy in the community from nine years of age and upward will no doubt want to join the newly organized Mt. Prospect Drum and Bugle Corps.

RELIEF COSTS IN WHEELING

The Herald is glad of the opportunity to present in this week's issue the cost of relief in Wheeling township. Much has been said on the streets about excessive costs and excessive payment to relief cases. The aggregate figures as shown in that report reveal that there are 130 averaging \$30 a month and 22 cases averaging \$24 in addition to WPA funds. The total cost of all relief for January is \$4371, according to the budget that the state auditor has set up.

These are facts that can not be disputed.

Those figures are open to inspection at any time by any tax payer.

There is another side to the picture that is not revealed by that auditor's report, viz: the names of those who are on relief. It would be harsh to publish those names but the tax payer has a right to require assurance that no person or family is receiving amount in excess of their need considering the resources at their command.

The Herald suggests that a citizens advisory committee be appointed who will inspect the relief roll, make any suggestions they think advisable to the supervisor and report back to the tax payers through the newspapers with a statement of their approval or disapproval of the disbursement of relief funds to the families on the relief list.

In this way the identity of the relief families will not be made public, but the tax payer will know whether or not the relief tax dollar is being spent for the purposes and in the manner that the law provides.

If such a citizens committee can not be easily selected, the Herald feels that the town board could assume the responsibility of inspecting such relief rolls.

Such a request to the supervisor on their part, would not be amiss and would remove much of the present whispering campaign against the relief office.

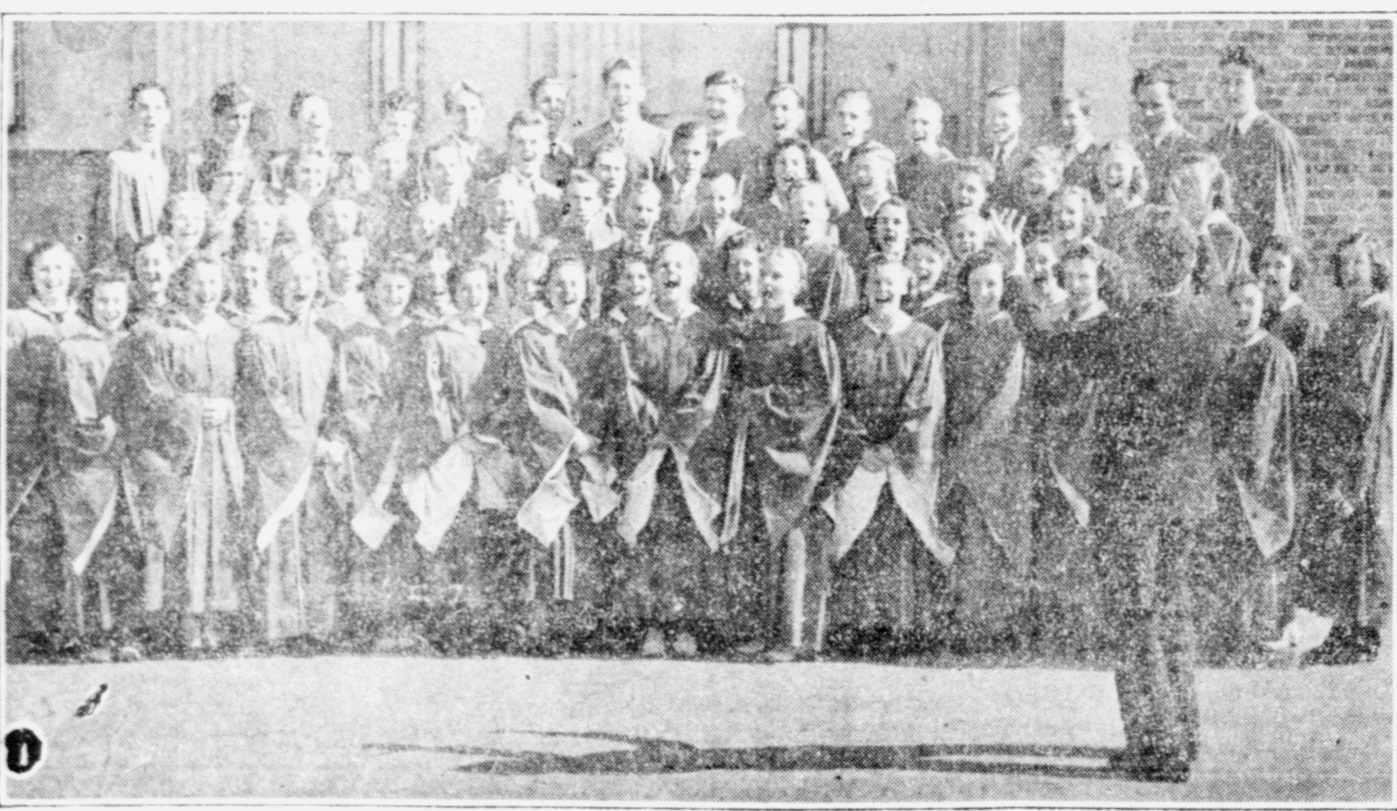

Boost Schreiber for Lions Gov'nor At Dist. Meeting

When Martin Schreiber, deputy governor of district 1-A of Lions international, arranged for the joint ladies night at Arlington Heights Tuesday night of the clubs under his jurisdiction he did not know that the starting gun for his candidacy as governor would be fired at that gathering. It was John Rietz, present district governor, who, in an impromptu speech told of the excellent work that Mr. Schreiber had been doing and his hopes that the clubs of 1-A would see to it that Mr. Schreiber is chosen for the higher office. The speaker, after admitting that there is not a club in Mr. Schreiber's district that he had not visited at least twice, admitted that the good dinners he always found in these German communities might have had something to do with the frequency of his visits.

Arlington Heights Lions Club was host to the members and their ladies from Des Plaines, Mt. Prospect, Palatine and Barrington. Following dinner, served only as the Lutheran ladies know how to serve, President Hugo J. Thal introduced Martin Schreiber, who in turn presented District Governor Rietz.

There was some very fine entertainment ready, under the booking of Sid Page, who was unable to be present himself, as he is appearing at the State Lake theatre this week. The speech making was not prolonged and the show was on.

FAMOUS MAINE CHOIR FEATURE AT LIONS SHOW

A real treat is in store for the folks who attend the big Lions show next Tuesday at Cutting hall of the Palatine township high school.

The A Capella choir of the Maine township high school will be one of the feature attractions on the program.

This choir of 50 voices has made a sensational hit wherever it has appeared and has won honors in state and district competition.

The choir is under the direction of Mr. A. M. Harley, who started the organization back in 1921.

Since then the choir has been one of the features of the Maine high school and the people of this vicinity are indeed fortunate in being able to hear this group at the coming Lions show.

Here again the friendship of the

City Wide WPA Project To Start March First

Have you any sidewalks to be laid?

If you have the cash to pay for the materials, their construction can be made a part of a city-wide WPA project scheduled to start March 1. The Chicago WPA office discovered that Arlington Heights had used other means and methods to improve Ridge ave. to the Creamery Package Co. plant and that street has been dropped from the revised WPA plans, which naturally changes the entire project. The present set-up calls for construction by the sponsor totaling \$20,000 and the total cost of the improvements to reach nearly \$60,000, which can be used for street improvement in almost any part of town except that state gas tax money can only be used on specified streets. A major part of this project can be cement walks for the property owners are so inclined. Application should be made at once.

An irresistible force and an immovable will nearly called a sit down strike when Mr. Fritz, village engineer, representing Arthur Consoer, was as certain as he was a week earlier that he had given contractor Milburn credit for every inch of work removed by the latter in the Ridge ave. improvement. Mr. Salzman, representing the contractors, was just as certain that the claim for extras was fair. After the same questions had been asked a dozen times and the same answers given, the board was saved from an embarrassing situation by Mr. Salzman volunteering to withdraw the bill for extras.

The board authorized the clerk to draw a check for the contractor in the amount of \$1,559.78, balance due the firm.

As announced last week, owners of homes in Searsdale may secure underground electric and phone installation if they are willing to pay the additional cost. Martin Schreiber, district manager, appeared before the board stating that such was the only way that Searsdale owners can secure such service.

Judge Behrens Enjoys Winter Weather in Illinois Not Rains In Florida

Judge Behrens motored to Florida two weeks ago upon what he thought was to be a winter vacation for himself and Mrs. Behrens. He returned home early this week, fully convinced that snow in Illinois is better than rains in Florida. He refused all details except that he traveled an average of 360 miles a day.

Editor's note—Anybody who travels that far every day has no time to even enjoy sunshine).

Mrs. Wm. Wickman Finds Ready Market For Good Will Rugs

Mrs. Wm. Wickman, 205 West Wing st., has a lot of time on her hands and started crocheting rugs some time ago, with business men as her customers. She calls them "good will" rugs as significant of the friendship she feels for the purchasers, whom she considers old time friends.

Norman Beese gave a short but very good imitation of Pat Buttram. Joe Bauer, the handsome blond from State and Rand rds., sang one of the latest ballads and when he finished, the station received several calls asking how long Bing Crosby had been with WLS.

Billy Weisman, the 12-year-old wonder of Palatine, made his usual hit with all those at the studio and at the Little Theatre as well as with the radio audience by singing one of the latest numbers. He went over so well that he sang once again later in the program.

Mildred Eickelberg and Elmer Kirschbaum of Dundee, who took the parts of Lulu Belle and Scotty in the last two Arlington Heights WLS Home Talent shows, imitated these two well-known characters to perfection. Last, but not least, the Cousinettes from Bensenville, a group of three girls who really are cousins, sang some harmony numbers and were so good that, like Billy Weisman, they too sang two different times on the program and were asked to return to the studio at a later date for an audition for the regular barn dance given at the Eighth Street Theatre in Chicago every Saturday night.

So altogether, it was a big day for Arlington Heights. The town probably will never receive as much publicity again unless it is visited by a tornado, earthquake or some other catastrophe. The Home Talents did justice to themselves and to their towns on this broadcast and it is hoped that Arlington Heights will soon again have the opportunity of presenting some more of its Home Talent over the air.

Legion posts of Arlington Heights and Palatine has worked to the advantage of the Lions playground by bringing to Palatine this outstanding organization from our neighboring town.

The Maine choir and the Arlington Drum & Bugle Corps are a whole show all by themselves, but there will be lots of other features. It's going to be a great evening, don't miss it.

Note—The Lions show will start promptly at 8:00 o'clock, instead of 8:15 as shown on the bills. Because of the booking of certain acts the change in time was necessary. Please be in your seats at 8 o'clock, ready for the grand opening.

Tickets may be obtained at the Herald Office, Arlington Heights.

Wheeling Relief Needs Now \$4,000 a Month

EDITOR'S NOTE—The editor of the Herald visited the office of Chas. F. Grandt Wednesday morning where he had full access to all records of the relief office, from which is taken the analysis and figures given below. The state relief office, which checks carefully all relief expenditures every month, does not permit the removal of such reports from the office of the supervisor, but they are open to inspection of any tax payer at any time.

JANUARY STATEMENT	Number of cases	Amount of obligations	Average per case
Employable home relief cases (excluding WPA supplementation cases)	73	\$	\$
Unemployable home relief cases	40		
Total	113	3,390.00	30.00
WPA supplementation cases	22	528.00	24.00
Total home relief cases	135	3,918.00	
Administrative costs		453.00	
Total cost of relief and administration		4,371.00	
Resources available for relief:			
75 per cent of the 1938 poor relief levy			\$11,228.78
Add—State relief funds allocated during the 1938 tax year			14,834.00
Total resources available during the 1938 tax year			26,062.78
Deduct—Obligations incurred against poor relief funds during the 1938 tax year			24,722.50
Resources available at the end of the previous month of December, 1938			1,340.28
Add—State relief funds allocated for the present month of January, 1939			2,408.00
Total resources available during the present month of January, 1939			3,748.28
Deduct—Obligations expected to be incurred during the present month of January, 1939			4,371.00
Estimated deficit at the end of the present month of January, 1939			Deficit 622.72

Arlington Hts. Amateurs Are On the Air

Last Saturday, Arlington Heights was on the air over station WLS on the Home Talent program between 1:00 and 1:30 p. m. Some of the talent from the last WLS Home Talent Show held in Arlington Heights was invited to come in and take part in this broadcast, which included Les Griffith, Joe Bauer and Norman Beese of Arlington Heights; Billy Weisman of Palatine; the Three Cousinettes of Bensenville; and Mildred Eickelberg and Elmer Kirschbaum of Dundee.

Les Griffith, the popular insurance man, who is known by almost everyone in Arlington Heights and surrounding territory, had taken the part of Master of Ceremonies of the three WLS Home Talent shows given in Arlington Heights by the Merle Guild Post of the American Legion. On the broadcast he made a two-minute talk about these Home Talent shows and did a good job of it. It seems that the ladies fell for his voice, and now his wife has to follow him around wherever he goes.

No one was injured when the car of R. H. Koch, Chicago, struck the car of Bauer Munro, of Kenilworth, on Milwaukee ave., Saturday evening. Koch was attempting a left hand turn at Palatine rd. when he struck the Munro car.

Charles Aldrich, 38, escaped injury when he fell asleep on Dempster rd., and drove off the highway into a ditch, early last Friday morning.

Sewing Instruction Under WPA Provided At Mt. Prospect

The Works Progress Administration is sponsoring sewing instruction for the women of Mt. Prospect and community and instruction classes are to be held on Wednesday mornings and Thursday afternoons.

The sewing instruction will be under the supervision of Mrs. Stagz of Park Ridge. There is to be no class instruction, but rather assistance with individual sewing problems. Classes will be held on Wednesday mornings from 9 a. m. to 12 noon and on Thursday afternoons from 1 to 3:30 p. m., at the Little School House at the corner of Main st. and Central rd.

The sewing instruction is open to all women of the community and there will be no charges or costs of any kind in connection with the instruction.

Award Boeckenhauer \$1,433 Damages in 'Act of God' Suit

A circuit court jury late Thursday handed down an award of \$1,433 in the "act of God" suit of John Boeckenhauer of Des Plaines, for crop damages sustained in a four day rain storm in September, 1936. The jury voted the Des Plaines farmer the full amount of his claim. City Attorney Kenneth G. Meyer believes evidence presented failed to warrant such a verdict.

Tried before Judge Pozanski in circuit court, Boeckenhauer based his claim on the elevation of Thacker st. to meet the Belt Line tracks, asserting that such construction diverted the natural water course into his fields. The Boeckenhauer property is bounded by Thacker, Algonquin, Wolf and the Belt Line.

Witnesses for Boeckenhauer were his son, George, H. Karnatz, and Herbert Kempe.

Meyer called six Des Plaines officials to the stand as Boeckenhauer stepped down from an all-day cross examination Monday. Superintendent of Public Works Marvin Wells, City Clerk Edgar J. Friedrich, Alderman John W. Lemke and Walter Dopheide, ex-Mayor George Kinder and City Engineer E. N. Fletcher were called to testify.

Likewise the same auditor in his report states that there are no local relief funds available. The office of Supervisor Grandt has no way of knowing what funds he will receive from the state for February relief, but he does know that his office is in the red for \$622.72 for the month of January when he received only \$2,408 to pay a total estimated relief load of \$4,371.

The township has sold and expended \$9,000 in 1938 township tax anticipation warrants. Seventy-five per cent of the 1938 tax levy is \$11,228.00. The only way that the deficiency can be met is the sale of the remaining \$2,228 in warrants, if a buyer can be found.

In addition to the \$9,000 of township relief fund expended during 1938 the state allocated \$14,834.00 to the township, making the total cost of relief in Wheeling township for the year 1938, \$23,834.

The loss in 1937 relief tax collections is \$6,556.00, representing unpaid 1937 taxes.

There were 26 more relief cases in December than in November. January eleven more and there is every indication that the February relief load will show a further increase of five.

There are three classes of relief: employable, home cases, unemployable-home cases and WPA cases where the amount earned by the wage earner of the family is not sufficient to take care of the family. This month there are 73, 45, and 22 in the respective classes.

Administration costs are not guess work. The records show exactly the amount and distribution of such expense. The following itemized table tells the story, for the month of December:

Office rent \$ 20.00
Printing, stationery 19.52
Postage 5.00
Telephone, etc. 15.00
Traveling expense 27.50
Light, water 1.61
Total office expense 89.63
Total salaries (6) 239.00
Grand total \$328.63
Note—The estimated administrative cost for January is \$453.

The accompanying table gives the amount of public resources available for poor relief in Wheeling township, which is based on the assumption that the supervisor is able to sell the full 75% of 1938 tax anticipation warrants. This table shows a deficit of \$622.72 as of this date. That deficit will increase until sale of 1939 warrants will make possible payment of delinquent bills, etc.

At the present time, the Wheeling relief office must exert every effort to curtail the needs of relief clients and to conserve every cent possible without jeopardizing the health and welfare of the 135 relief families in the villages of Arlington Heights, Wheeling and the northern part of Mt. Prospect.

Council Elected At St. John's Church Meeting, Sunday

The annual congregational business meeting of St. John Evangelical church was held Sunday. Total benevolent gifts amounted to over a thousand dollars. Many notable improvements have been made on the church properties during the past year it was revealed.

An election of new council members was held with the following results: president, Emil Baumgartner; recording secretary, Walter Duenn; financial secretary, Herbert Hamner; treasurer, Mr. Frank Runge; trustee, William Fredericks; deacon, Richard Runge. Wilford Landmeier will again serve as a delegate to all conferences.

Newly elected council members will be installed into their various offices by the pastor, Rev. R. J. Kalwitz, next Sunday.

Taken To Hospital

Mike Oefelein who became ill a week ago was taken to the Cook county hospital early Wednesday morning. Mr. Oefelein has been living with his son on north Duenn, Arlington Heights.

Mr. and Mrs. Stanley Myers were hosts to a group of friends for bridge Saturday evening. Lunch was served by the hostess late in the evening.

This Week With Arlington's Womenfolk

Clubs . Parties . Marriages . Family Gatherings . Social Events

Health of People On Relief To Be Addressed At Dist. Women's Club

A public health and welfare institute will be conducted by the Seventh District Illinois Federation of Women's Clubs, next Tuesday in the Gladstone Park field house, 5421 N. Menard ave., at one o'clock. Mrs. W. D. Amador, public health chairman, will present a representative of the American Medical Association who will speak on "The Health of People on Relief." Mrs. Norman D. Oram, public welfare chairman will introduce Miss Marie Bell of the Juvenile Court. Miss Bell will speak on the problems confronting that branch of public welfare.

A garden department meeting has been called by Mrs. Milton G. Meyer, chairman, January 30, at one o'clock, in the home of Mrs. Ralph Jaquith, 6547 N. Omega avenue. Making window boxes and care of house plants will be demonstrated.

Clubs of the seventh district will participate in the state wide party of the Illinois Federation February 2, in the Hotel Sherman, at one o'clock. Mrs. Charles R. Holton, president, Mrs. Ole N. Jensen, hostess, and all club presidents may be contacted for tickets. There will be an art exhibit and readers for those who do not wish to play games.

Welcome Club

The Welcome club of the St. Peters Lutheran church is to meet Thursday with the Dorcas Aid. The discussion will be on the Mission topic study.

Celebrate Fifteenth Anniversary Of V. F. W. Auxiliary

V. F. W. Auxiliary celebrated the fifteenth anniversary of their organization last Saturday, in El Rand dining room, where covers were laid for a company of 30, who were served a chicken dinner, with all the trimmings to the satisfaction of every one. Color scheme of red, white and blue, was perfectly blended from the center of the table where red roses, flanked by silk flags in standards, spread color and charm to the guests seats, where flowers marked the places, also figurines, a soldier boy for the ladies, and a uniformed nurse awaited the gentlemen, and individual birthday cakes, with a candle made an ideal background for the feast served in Comrade Herman Niemeyer's best style. A program was given the guest of honor, Dr. Lola Eastham, past president of the Department of Luncheon, was called upon to address the company.

She spoke in her friendly forceful manner always enjoyed by her listeners. Aux. President, Mrs. M. Ellison, made pleasing response when called upon and Com. A. C. Wilcox spoke with his usual cheerful, good comradery. An orchestra furnished fine music, and some enjoyed dancing.

In fact there wasn't a "dull moment."

Ever Ready Club

The Ever Ready club met Tuesday afternoon for luncheon at the home of Mrs. Walter Schuetz. The members spent the afternoon making quilt blocks.

Kinderheim Auxiliary Elect Officers

The Kinderheim Auxiliary met at the Lutheran school in Palatine this week and held a business meeting and election of officers. Those taking office were Mrs. Hansen of Des Plaines, re-elected president; Mrs. Koehnke of Arlington Heights, re-elected vice president; Mrs. John Busse also of Arlington Heights elected secretary and Mrs. Miller was re-elected treasurer. Plans were made for a luncheon to be held on February 28, details to be announced later. Refreshments were served.

O. E. S. Notes

A stated meeting and an obligation service of the O. E. S. for members of the Order, will be rendered Thursday, November, December and January birthday members will attend this meeting January 28, and get their birthday surprise gift.

A complete dinner at 6 p. m. for members will be served for 25c per person. Reservations must be made not later than next Wednesday. Call your Worthy Matron 145-J or the secretary 378.

Senior Y. P. L. Elect

The Senior Young People's League of St. John Evangelical church held their annual meeting on Tuesday, January 17. The newly elected officers for the coming year are: president, Mr. Vernon Fingel; vice president, Mr. William Fingel, Jr.; secretary, Miss Ruth Dunning; treasurer, Miss Betty Vetter. The newly elected officers were duly installed into their office by Rev. R. J. Kalwitz on Sunday, January 22.

Friendly Class Plan Dinner

The Friendly class of the Presbyterian church are sponsoring a dinner prepared by the Folklore Cooperative Dinner Co. of Chicago, next week on February 1, at 6:30 in the evening. The price is very reasonable at one and one-half dollars. Reservations call 278-J or 765-W, before Wednesday morning.

Junior Maccabee Court Meets

The Junior Maccabee Court of Arlington Heights met at the Methodist church Saturday afternoon. Mrs. Dryer of the Chicago office was present to conduct the drill work. The Junior Court of Arlington Heights is under the direction of Mrs. Chas. Emmett.

Snowfall Brings Out The Bobsled

Bobsleds and horses were much in demand last week when "Old Man Winter" blanketed the landscape with snow. Second grade of the north school enjoyed a sleigh ride party Thursday afternoon. The Glee club of the North school went bobsled riding the same evening; the sleighing party adjourned to the home of Tom Coleman where they enjoyed dancing and refreshments.

The fifth grade of the North school went on a bobsled ride Friday afternoon and the children of the primary department of the Methodist Sunday school enjoyed a sleigh ride Saturday afternoon, after the sleigh ride they enjoyed refreshments at the home of Mrs. Hines.

Mt. Prospect Woman Will Review Book At Woman's Club

Mrs. Lawrence Kester of Mt. Prospect will give a book review at the next meeting of the club which will be held February 1 at the Methodist church. This book review has been pleasantly anticipated by those who have been fortunate enough to have heard Mrs. Kester before, to those who have not, a treat is in store.

Mothers Club Valentine Party

The Mother's Club of the Methodist church will meet at the home of Mrs. Rector on February 1, to enjoy a Valentine party.

Art Topics

The Department of Education of the Art Institute announces several weekly lectures designed primarily for persons occupied during the day.

Tuesday evenings, 6:30 to 8:00—"A Survey of Art," a course to help you see and enjoy art with greater understanding.

Wednesday, 12:15 to 12:45—"Half Hours in the Galleries"—informal talks about French and American painters you should know.

The Department of Education of the Art Institute wishes to call to your attention two courses on various art topics now being conducted on Monday and Friday mornings at 11 o'clock. These lectures are given by Miss Helen Parker of the Art Institute, whose thorough knowledge of the subject is a real contribution to one's cultural development. And her delightful presentation makes it an hour of genuine entertainment.

Adventures in the Arts—The Florence Dibell Bartlett series of lectures on art and travel are now being offered each Thursday evening at 6:30 in Fullerton hall at the Art Institute. These lectures are given by Miss Helen Parker of the Art Institute, whose thorough knowledge and delightful presentation of the subject make it an evening not only well worthwhile but entertaining as well. There is no charge and the public is cordially invited.

LOCAL EVENTS

Mr. and Mrs. Jannusch and family spent Sunday with the Emil Cegars family in Burlington, Ill. Mrs. Schroeder has gone to Chicago to spend some time in the homes of her daughters, Mrs. Consoe, Mrs. Baumuk and Miss Alma Schroeder.

Mr. J. Clyde Jones entered the Hines Veterans' hospital Monday for observation.

Dr. and Mrs. A. J. Alcorn of Rogers Park called to see Mrs. Almira Simson at the Rest Home, Sunday. They also called at the P. A. Briggs home, Mr. Harvey Simson, Mr. Arstin, called on his mother, Mrs. Simson, at the Rest Home and on his sister, Mrs. Fayette Briggs.

Mrs. Grismer was hostess to her pinocle club Thursday afternoon. Miss Butterwick of Chicago was a Sunday guest at the Oris B. Cunningham home.

Mr. and Mrs. Art McElhose, Mr. and Mrs. Alan Schulte, and Mr. and Mrs. Henry Schulte were guests of Mr. and Mrs. Elmer Schurstein of Forest Park, Sunday.

Mr. A. B. Schenckhaus submitted to an appendectomy at the St. Mary hospital in Elgin, Friday. He is doing as well as can be expected.

Mr. and Mrs. Ben Helfers and family were Sunday evening guests of Mr. and Mrs. William Helfers of Des Plaines.

Mrs. Thad Diadul entertained her bridge club Friday. Dessert was enjoyed at 1:30. Mrs. Fred Ross and Mrs. Hill received awards at bridge.

Mrs. Homer Byrd, Mrs. Warren

Res. 710 N. Mitchell Ave. Ph. 655

Arlington Heights, Ill.

Fellingham and Mrs. O. G. Barrett attended the P. E. O. Founder's Day luncheon Saturday in Chicago.

Mr. and Mrs. Jack Monroe entertained twelve friends for dinner Saturday evening. The evening was enjoyed at bridge.

Mrs. Ray Atkinson was hostess to eight friends for luncheon Friday. Mrs. Homer Bowlin received high honors at bridge.

Mr. and Mrs. Dan Schueren of Culver, Indiana were guests at the home of their son and family, Mr. and Mrs. Dan Schueren, of Searsdale.

Mrs. Victor Pecchia was luncheon guest of Mrs. Detwiler of Des Plaines, Wednesday.

Mrs. Steven Canadi, Jr., is entertaining the Ideal club Thursday evening.

Mrs. Elmer Karstens was hostess to her bridge club for dessert, Tuesday afternoon. Contract bridge was enjoyed.

Mr. and Mrs. Lama entertained the John Griffin family of Chicago for Sunday tea. In the evening friends joined them for an evening of cards.

Mr. and Mrs. Lama were guests of the David Brown family for dinner Monday evening and later attended the basketball games at the Coliseum.

Miss Margaret Siese, Miami Beach, Fla., called up her parents long distance to find out how they were. F. Siese, 116 N. Pine.

The regular monthly Cub Pack meeting for parents and Cubs will take place at the North school Wednesday, February 1 at 7:30.

G. Victor Kessel of 1212 Mayfair rd., is a guest at the Venetian hotel while in Miami, Fla.

Feb. 2, Presbyterian Aid Society regular meeting.

Feb. 10, 8 o'clock p. m., auxiliary V. F. W. card party. Everyone invited. Tickets 35 cents.

Friday, Jan. 27, Mrs. E. W. Bauman entertains her bridge club members.

Monday, Jan. 30, Miss Adam and Mrs. Hackbart will entertain their sewing club.

Mr. H. A. Helm and daughter, Miss Dorothy, were dinner guests of Mr. and Mrs. Elmer Crane Sunday.

Mrs. Earl Brunner from Cordova, visited her cousins, the Ackley, Flodine, Fritz families and her aunt, Mrs. A. V. Ackley Monday and Tuesday.

Mrs. Chas. Fitzpatrick was among the shut-ins first of this week.

GOOD THOUGHTS

It is a good thing to be rich and a good thing to be poor, but it is better: thing to be loved of many friends.

—Euripides.

A faithful friend is a strong defense; and he that hath found such an one hath found a treasure. Nothing doth countervail a faithful friend, and his excellency is invaluable.

—Ecclesiastes vi: 14-15.

Let us not be ashamed to be friendly or to show any friendly feeling we may have. Let us be the first to give a friendly sign, to nod first, and if such a thing is necessary, forgive first and forget first.

—Jarvis A. Wood.

It is only the great hearted who can be true friends. The mean and cowardly can never know what true

friendship means.

—Kingsley.

Pure humanity, friendship, hope, the interchange of love, bring to earth a foretaste of heaven.

—Mary Baker Eddy.

And the Lord make you to increase and abound in love one toward another, and toward all men.

1 Thessalonians 3.

Inn Called 'Ordinary Fellow.'

When the name King George V for an inn in Pagham, near Bognor Regis, England, was banned, it was changed to the Ordinary Fellow, to commemorate the king's stay in the district after his illness in 1929. Shortly after the king's death the archbishop of Canterbury revealed that the late king had described himself as "just an ordinary fellow."

It Happened Here

INTERURBAN

The interurban bumped over the rails and slowed down while a group of Italian workmen stepped from the right of way. "Hi, Tony," said the motorman leaning from his door. The workmen grinned and waved; their dinner pails and coats were snugly stacked on a pile of ties, well out of the snow. The motorman resumed his stool and the car jolted along through a snowy country-side. At Gougar's crossing the young couple came aboard, the woman carrying a well-wrapped baby. She came down the aisle and settled her bundle on the seat facing her; the husband followed and slouched loutishly down beside her, feet thrust into the aisle. The girl made timid overtures, trying to interest him in arranging the baby's wraps; he ignored her, scowling at his responsibilities, the picture of a sulky school boy trapped and cheated on his all too brief playtime. At the station in the village the couple alighted and waited on the platform while a couple of milk cans were set off beside them. The agent came out of the station, a yellow slip in his hand. "Hey!" he called to the motorman, "You know Tony, Dago on the repair gang below Gougar's?" "Tony ain't getting fired, is he? He's got a bambino he thinks is going to be president of those U. S. and he needs da mun." "You find Tony on the down trip—tell him his bambino's dead!" "My God," said the motorman, huskily. The young couple stood irresolutely on the platform, then the lost reached awkwardly for the baby. "Lemme carry him," he said gruffly and cradled the bundle under his chin with a fending gesture. With his free hand he gripped the girl's elbow. "Um-m," he ordered and marched off with his responsibilities as tho he feared something might dispossess him at any minute.

S'Amuser.

Marriage Licenses

Licenses applied for in Waukegan:

Ira N. Keith, 21, Morton Grove, Vernetta Schipman, 21, Evanston.

Howard E. Lass, 21, Northbrook, Elizabeth Lancharte, 18, Wilmette.

Licensed in Chicago: Harvey B. Collins, 43, Morton Grove, Natalie Rock, 36, Congress Park.

Stanley J. Banash, 22, Niles, Marie Smarotte, 26, Chicago.

William Veremis, 21, Bensenville, Stella Stamalopoulos, 21, Chicago.

Wills Filed

BARRINGTON

The will of the late Henry A. Howland, of Barrington, who died in Chicago December 31, has been filed for probate at Waukegan. It disposes of an estate estimated worth \$27,000. His interest in the firm H. A. Howland & Son is given to Robert P. Howland, of Barrington, he to assume all obligations of the partnership. Robert's note for \$4,250 is ordered to be cancelled. Sums of \$1,000 are given to each grandchild, Elizabeth, Henry and Charles Howland, children of David Howland, of Chicago. David Howland is given certificates for real estate bonds held in safe deposit vault. The residue of the estate is given his daughter, Elizabeth Howland, of Barrington. Henry and Elizabeth Howland are appointed executors.

ANTISIALOGUE

By C. W. Lussman
of Sieburg Pharmacy

An excessive flow of saliva is sometimes checked by a doctor's prescription for antisialogogue, an agent to relieve this condition.

Medical knowledge has more than one arrow in the quiver and more than one string to the bow. It is important that you consult your physician when annoyed by such a condition. There are other remedies and only the skilled doctor should advise what is best suited to your constitution and particular complaint.

Again, medication is so important that only the purest and best should be used. A doctor's advice is wasted, worse than wasted, unless his prescriptions are filled by a capable, scientific druggist.

This is the twenty-sixth of a series of Editorial Advertisements appearing in this paper each week.

Copyright

Flynn Aids Families Of Adopted Children

Parents need worry no longer concerning birth certificates of their adopted children under a system inaugurated in the office of County Clerk Michael J. Flynn.

In the past parents of adopted children were subjected to considerable fear whenever their child would come home and tell the need for a certified copy of his birth record for school; for proof of age in securing a position; for establishing age for passport or marriage license purposes, or for any of the innumerable reasons why

one must have a birth record. County Clerk Flynn announced, however, that up to now over 1700 certificates have been issued by his office which are identical to regulation birth certificates in every detail. No mention of the child's former name appears on the document and only his name and the name of his adopted parents is used.

The public had the mistaken idea that they must procure this certificate from Springfield and much misunderstanding has been caused by this erroneous opinion.

County Clerk Flynn reported that the number of adoption petitions filed for the year 1938 totaled 1029 which fell short of the 1937 total.

[QUESTIONS THAT ARE ASKED ABOUT BANKING]

"How are a Bank's investments made?"

THE most important function of a soundly-managed bank is to keep most of its deposited funds employed at the best rates of interest consistent with safety. A considerable portion is, of course, put to work in local loans. Other investments are made depending upon legal requirements, local conditions and business conditions generally.

All investments are made under the directions of our officers and investment committee. From a variety of sources—files, business and statistical services, industrial, state and municipal reports, information developed by correspondent banks—we constantly collect investment information. We diversify our investments according to rules of sound banking, and give proper consideration to long and short term maturities, to marketability, fair yield and—above all—to soundness. Upon request we shall be glad to tell you more about our investment policies.

Lay on the eye—easy to buy—on General Motors terms!

IN the big Buick factory in Flint these days the long assembly line is running smooth as oil.

Not in ten years has production been steadier—and not in the memory of man has the work been better or the car so fine and full of dollar value.

Which is one reason we ask, man to man—what are you waiting around for?

With the first bright budding weather a flock of folks are going to itch to start traveling behind

this power-packed Dynaflex straight-eight.

They're going to hear the call of the open road—and hone to answer it in smart Buick style, with BuicOil Springing to cushion them along.

They're going to come pouring in on us wanting Buicks, wanting them fast—and in spite of all we'll be able to do then, somebody may have to wait.

But the smart buyers will be all set—will be on their way looking at spring-fresh greenery through Buick's new "visibility unlimited."

They'll be having glorious fun behind this supple giant of a Dynaflex

power-plant, taking their steady ease in the comfort only Buick gives.

That's why we hope you're making your decision now.

Your old car's worth more today than it will be later. You may dodge a lot of repair bills by trading in now. You buy now at prices that are lower than a year ago, lower than you'd expect, lower even than some sixes.

So why wait—and wish you hadn't?

EYE OPENER!

With all its extra value, this Buick sedan lists at \$51 less than a year ago!

"Better buy Buick—NOW!"

FRIDAY, JANUARY 27, 1939

Mac Says by GERALD A. MC ELROY

As a reader of John Austin's column, "By the Way," in the Waukegan News-Sun, and other signed articles in the same paper we have been wondering who the "good authority" might be whom he mentions in speaking of the break up of the Northwest Conference. Some of the recent statements in the Waukegan paper have riled us just enough so we wish to reply. The statements all have to do with the features of the Northwest Conference.

First of all the statement is made that "Since 1924 when the Northwest Conference was formed member schools have been permitted to engage only in the sports and the number of games they desired to play and the rivals they chose." We answer this by saying that until the conference was enlarged in 1935 all schools played a rotating schedule in basketball. In 1935-36 and 1936-37 every school met every other school, and since that time a schedule has been played based upon size, location, and natural rivalry with each school playing 10 games. The schools have always played the same number of basketball games and the schedules have been made by a conference committee.

When Austin says that "the smaller ones, dominant by virtue of their greater number, have ruled the loop much to suit themselves," we know that he has not attended conference meetings and is not familiar with the way the league has operated.

ARE SMALL SCHOOLS AT FAULT?

We have no quarrel with those who have succeeded from the conference and most of the reasons they give seem to us reasonable. However, we cannot believe that they are placing the blame for all this upon the small schools who remain in the league. Let us just consider a few of the things that have been mentioned in this connection. First of all the league is too large and unwieldy. We argue on that point. On several occasions Grant township high school applied for admission to the conference, but was refused on the grounds that a league of 10 was large enough. Then in 1935 the new Lake Forest high school was constructed and certain friendly large schools worked for its admission to membership. Grant had to be admitted then also. Perhaps the admission of Niles and Northbrook during the past two years was with the thought of bringing the split a little nearer. All four of these schools were admitted by a unanimous vote.

OTHER REASONS FOR SPLIT

We believe that the big schools have some other reasons for leaving which they do not publish but which to them seem quite important. First of all under the past setup the small schools have just as good a chance as the big ones to finish on top in basketball. Under the system prevailing before 1935-36 each school met the others and the big ones had the edge. In spite of this we are convinced that Ela and Grant still have come out on top last year had they played all the big ones.

Another point is that the small schools who do not play football have all their basketball material out practicing before the end of October while the big schools are only those boys not interested in the grid sport. The change from football to basketball cannot be made in just a couple of weeks, especially if the material needs much drill on fundamentals. However we feel that the extra material available in a large school more than makes up for a few weeks extra practice.

WILL MISS CRAWFORD

Personally we think the new arrangement is a fine thing for all concerned. It is going to be a lot tougher for some of the big schools than under the old arrangement, but it certainly will be more interesting. The small school group will miss some fine leaders and outstanding men with the secession of the large schools. One of the men who will be missed the most will be Larry Crawford of Libertyville whose fine work in the selection of officials and whose constructive ideas in sports administration have been outstanding in recent years. The Northwest Conference will have a hard time finding a man to take his place.

The Moose team of Waukegan which plays at Arlington next Wednesday, defeated the Elgin All Stars last Friday night 31-28. The Moose led at the half 14-8. So much of Elgin got six baskets while Anabelli was held without a goal. Williams scored 10 for Waukegan.

Heights Luthers Defeat Palatine By 30-22 Score

Roselle Loses Close Game To Des Plaines, Relinquishes Lead

By ALBERT BRODSKY

Arlington beat Palatine 30-22 for the second time this year in the Lutheran basketball league last week-end.

The game started out slow and at the quarter Palatine led 4-3 on two baskets by C. Hamker. The second quarter Arlington held Palatine to a free throw by Helms, while Arlington took the half lead 8-5 on baskets by Luerssen and "Red" Weisgerber while Laszko threw in a free throw.

Arlington took a 17-11 lead at the third quarter and held it throughout the game. Laszko led Arlington with 11 points; Red Weisgerber ran second with 9 points.

Art Luerssen played one of his best defensive games, holding "Red" Helms to 6 points. Ari had him bottled up until the last quarter when "Red" scored 5 points.

C. Hamker played the best game for Palatine and scored 11 points.

Closely contested games are on the weekly card at the Arlington Heights high school gymnasium, this week-end when Arlington and Itasca will clash Saturday night, and Palatine and Des Plaines will play Sunday afternoon. Arlington and Des Plaines are the only teams that have not lost a game in the second round. Itasca will probably stage a comeback after losing both games in January. They were runner-up in the first round. Palatine has always been a nemesis for any team in the league.

Des Plaines' Key was hard pressed until two minutes of the game was left to play, then pulled away with a 43-36 victory. Herb Bresman and Dutch Laderod led the battle with 11 points each. R. Bresman played a good game and scored 10 points.

G. Dierking was banging them from all parts of the floor and ended up with 17 points. Shaw again ran second with 12 points. Roselle lost the game on free throws when they only made 6 out of 16, while Des Plaines made 9 out of 15.

Howie Dierking did a nice job of "feeding" and is considered one of the best guards in the league.

River Grove Takes Park Ridge 33-29, playing their best ball of the season. Key and B. Fick were hitting all kinds of long shots and scored 18 points. Park Ridge played a zone defense and River Grove shot over it hitting a high percentage. Brandt led Park Ridge with 10 points and it looks like Park Ridge will be a second division "contender" in the second round.

Glenview Trims Itasca 38-26. Glenview led by the Meyer brothers, handed Itasca their second defeat in the second round by the score of 38-26. Glenview led 12-2 at the quarter and increased their lead to 30-15 at the end of the third quarter, putting the game on ice.

A. Meyer scored 12 points and his brother took second honors with 9 points. Elbert once more led Itasca with 8 points.

Itasca did not have their usual passing game working and therefore lost control of the ball several times under the basket. E. Schaper played a good game for Itasca on defense.

Park Ridge Loses Third Norwood Park trailing at the first quarter 5-2, got hot the second quarter and led at the half 17-7, mostly by the shooting of Larson. The second half attack was led by Steve Fill with 10 points and Norwood went on to win the game 23-17. Wally Fill played his usual game with good passing and shooting. Park Ridge played ragged ball and Brandt was the only one able to hit the basket with 6 points. This gives Park Ridge three defeats and puts them in the basement by themselves.

Cardinals Play Pirates Probably For Last Time

Only five games will be played this week in the Northwest Conference since Barrington's game at Lake Forest has been scheduled for February 7th as an afternoon encounter. Headlining the card for Friday, from the standpoint of local interest, will be the Palatine at Arlington and Bensenville at Ela games. The situation is similar in both cases. Arlington, having a string of defeats, nosed out strong Barrington last week 20-19, while Palatine slipped the second time in a row after five wins, losing to Ela 20-27. At Lake Zurich the Ela boys revived by their first conference victory of the season meet a Bison five that was idle last week after three straight reverses. Bensenville won three and then lost three for a 3-00 rating. This game may be a close one though Ela has an edge.

On recent comparative scores the Palatine-Arlington game should be a really tight affair. Palatine lost to Barrington 26-25 and then Arlington whipped the Broncos 20-19. However should the Pirates relax in their shooting and play the kind of game they did when they won the Cardinals, they would easily be the favorites. Probably now that their system the Pirates will settle down to some of the kind of ball they turned in before the Christmas holidays. Last year they lost to Barrington and Ela in January games and then came back strong to beat Arlington and go on for many victories in a row.

Warren Kolls On Grant at Warren stands little chance of interfering with the title hopes of the Blue Devils who appear just on the threshold of a championship after whipping an improved Libertyville team 23-10. Libertyville on the other hand is slated for a sad evening again this Friday when they have to meet the high powered Niles Trojans.

Wauconda After Fifth Win Wauconda's Bulldogs have won four out of six since they dropped the season's opener at Antioch. Friday they get a chance to turn the tables on the Sequoia and it will be no surprise if they do it for it will be a close encounter. By the way, Antioch and Wauconda are the two teams still in the path of Kelton's Warren team and they are going to be pretty big obstacles at that.

Lake Forest Sets Pace In the lightweight division Lake Forest with a perfect record plays only one of the remaining four games and that will be Niles in the final game. Arlington in second place with one defeat also meets in the revived Palatine juniors who soundly trounced Ela's undefeated five 36-16 last week. Ela, tied with 36-16, must still meet Bensenville and Grant, a pair of mighty good lightweight outfits.

Warren Whips Libertyville 23-10 Warren won number seven Friday from Libertyville 23-10 and has only three to go for an undisputed conference title. The Blue Devils defense had the Wildcats bottled up all evening allowing but two field goals and but a single point in the second half. Meanwhile Goetz alone accounted for more points than the entire Libertyville team by sinking five field goals and a free throw. Ray Strand scored six of his team's total points. The half time score was 14-9. Warren also took the lightweight game 20 to 16.

Bensenville Alumni To Play Palatine, Sunday by GEORGE KOZMANOFF

Another strong team will be seen in action at Bensenville this Sunday when Palatine steps on the floor.

Bensenville's team will be bolstered considerably with the addition of A. Kouzmanoff who will be home for a brief vacation between semesters. Alex still holds the conference scoring record for one year at 169 points in 11 games for the season 1931-32.

Palatine's attack is centered around the towering Blankenship. The Bensenville heavies lost another thriller when they were defeated by Forest Park in an overtime. The Bensenville lights won their game by a score of 55 to 17. Pilgrina and Jennings led the victors with 16 points apiece.

Outstanding Quintet On Exhibition At High School Wednesday

By CHARLES O'HAGAN

The best team that ever played in the Arlington high school gymnasium, Waukegan's semi-pro quintet, Loyal Order of Moose, will once more meet the Arlington Smith-Dawson quintet at the local court next Wednesday night in probably one of the best matched games of independent basketball in this territory.

Waukegan's Moose five gave an unusual exhibition of high class basketball in their first meeting with the Arlington alumni team this year that completely overshadowed any display of good playing that the local boys could muster. Since that first game of the season the Smith-Dawson lads have come a long way to defeat Dundee Haeg's 10-9 and have since whipped the same Waukegan quintet.

The Moose team has won 66 out of 73 games, including a consecutive string of 35 in a row last season and holds victories over the Frankie Harmon Demons of Chicago, Central District A.A.U. champions, 1938, and the 124th Field Artillery of Chicago, Central District A.A.U. champions 1937.

They have won 12 games this season. "Whitey" Budrunas, a former Marquette U. star, has returned this fall from the U. of Kansas in Lithuania where he taught basketball. "Whitey" also has a "Believe it or not by Ripley record" of 9 points in 55 seconds, established against Carroll College while at Marquette.

Williams, who did not play in the first engagement, in the high score of the squad and learned his basketball at the U. of California. Clay Christensen of Lake Forest College and Bobby Morstad of Marquette are the other ex-college stars on the squad.

The Waukegan team has won five major tournaments in the last two years and holds the second highest total points scored by a team in the Chicago Evening American tournament history, scoring 104 points against Wheeling last year.

Karstens Mortician girls will open this program at 8 p. m., playing Bert's All Stars from North Chicago.

Cardinals Hang On To Defeat Broncos, 20-19

Fail To Score In Last Quarter But Edge Out 2nd Win

Arlington's basketball team played itself a pretty smart game last Friday night and thereby annexed itself another conference victory at the expense of Barrington, on the latter's floor, 20-19.

The starting five controlled the ball well, and refrained from their aimless casting as in some of their previous games. Consequently, but for one brief substitution at the end of the opening quarter, when Bartlett replaced O'Hagan for boys participating, seventeen scored, and the other two were in only momentarily.

Arlington held a commanding lead. A feature which made the game interesting was the team-play on both sides. Of the nineteen boys participating, seventeen scored, and the other two were in only momentarily.

With Milligan and Schulenberg forced out of the game another shift was created in the Arlington ranks. Fritz Kehe stepped into the pivot spot with Henken filling in at the forward post. Both acted themselves well, Kehe especially, plugging a night smooth game.

Henken started out in the lead and forged to the front 7-2 at the end of the first period, mainly on baskets by O'Hagan and Henken. Mayerek and Kehe kept them there ending the half 12-6. Both teams clipped it off at a fast pace in the third quarter with 8 points each. Arlington almost tried to go into one of their well known dives during the fourth quarter but managed to hang on to pull out with their 20 points, while Barrington crept up one point shy at 19.

O'Hagan performed at his best of the season for Arlington. Mayerek, as usual, was in the very thick of it and was ably seconded by Henken at this particular phase of the game. Becker and Kehe furnished a pair of smooth well executed plays.

Watson, Grueling and Shepard divided most of Barrington's scoring. Church, Saul, and Herren served well at their defensive assignments.

Lights Repeat Win Over Barrington

The Arlington lightweight scored their second victory of the season over Barrington. The score was 40-25, with the winners on top all the way.

Barrington made a fine effort, especially in the second half when they kept pace with high-scoring Arlington team, but did not have the experience to cope with their opponents.

Arlington's aggressive defense forced the Colts to take most of their shots on the run, and they hit only thirteen percent for seven baskets. The boys in green, on the other hand, worked loose consistently for long and short shots, scoring seventeen baskets and making thirty percent of their tries.

Thoman and Bublitz were the leading scorers, with eleven and eight points respectively. Thoman's rebound work at both baskets and his feeding from the pivot position were indispensable to Arlington's success. Mater Bublitz, Folkman, and Oefelien also turned in sparkling games with several others crowding them for honors. Etters, Langdale, and Wesolowski kept Barrington playing first-class ball down to the finish, even though

Top Row: Morstadt, Olson, Geske, Budrunas, Christensen. Middle: Kilponen, Williams, Lenkart, Goerler. Bottom: Manager Emmett Johnson and Advertising Manager Harold Fulton.

Cage Tourney Assignments Announced

Arlington Direct To Regional; Palatine and Bensenville to Wheaton

Assignments of teams to district and regional tournaments were announced this week from the state office. Schools of the Northwest Conference have been assigned to tournaments at Waukegan, Wauconda, and Wheaton. Arlington regional tourney along with Warren, Libertyville, Niles, and Lake Forest of the Northwest Conference, and New Trier of the Suburban League. There will be no district tourney in the Waukegan region this year.

Probably one of the best district tournaments in the state will be held at Wauconda. Last year the tourney ranked third among the districts in gate receipts and with nine evenly matched teams playing again this year the most should be a money maker. Besides the host school Wauconda the N. W. top schools competing will be Antioch, Barrington, Grant, Ela and Northbrook. Hebron.

Richmond complete the lineup of nine entries. On the basis of season's performance Hebron will reign the favorite. The winner and runner up will compete in the Dundee Regional.

Palatine, Bensenville, and Leyden of the N. W. Conference. Hinsdale of the West Suburban league, and Wheaton of the Little Seven leagues, will hold second position in the league, will no doubt repeat in district champ. The Wheaton winner will compete in the York Regional along with Morton, Proviso, Glenbard, York, LaGrange, Downers Grove, and Riverside.

The Dundee Regional will have as competitors, Elgin, Dundee, Crystal Lake, Woodstock, Harvard, Maine of Des Plaines, and the winner and runner up of the Wauconda District.

Lake Forest Nips Antioch 25-24

Lake Forest came from behind to nose out Antioch Friday 25-24 when Jack Lindemeyer scored a long basket in the final minute of play. The Gold Coasters had been in front 16-11 at the half, but the Sequoia had pulled ahead and maintained a slight advantage until the final basket. Burke of Antioch was top scorer of the evening with six field goals. Lake Forest lights won their sixth straight triumph 30 to 16. Gilroy scored nine points for the junior Lakers while Knott hit the same number for Antioch.

SUES FOR \$10,000

Suit has been filed in Superior court by Florella Carpenter, administratrix of the estate of the late Howard Carpenter, against the Rammer Wholesale Grocers, Inc., for \$10,000 damages for the death of Mr. Carpenter in an automobile accident February 14. It is alleged that defendant's truck was stopped in Skokie rd., just south of Dundee rd., causing Carpenter's car to run into it and he was fatally injured.

Wauconda Defeats Grant Five, 26-17

Wauconda won their fourth conference victory of the season Friday by trimming Grant 26-17. Grant's first division lights captured their fourth decision 17-7 in the curtain raiser.

The small Grant team to four field goals. Herrmann's team held a comfortable lead throughout the contest, leading 10-3, 16-9, and 22-14 at the quarter rest periods. Turnbull scored five field goals and four free shots to lead the Bulldog attack. Koch, McNally and Barth did nearly all of Grant's scoring.

Karstens Morticians To Meet All Stars, Waukegan Girl's Team

In the opening game on the weekly basketball card at the Arlington high school gym next Wednesday, the Karstens girls of Arlington Heights, will tangle with Bert's All Stars of Waukegan. To good luck. The Karstens girls have lost 1 and won 3, two of their losses being one point affairs.

"The Morticians weakness is lack of consistency and confidence. These factors coupled with a definite lack of responsibility on the part of several players tends to raise havoc with the team work that might be theirs would they but change their attitude," says Charles O'Hagan, their coach.

The Karstens All Star game will be followed by the Smith-Dawson Waukegan Moose game at 9 p. m.

Masonic and Military Funeral for H. Terry, Former Pal Theatre Mgr.

Harry King Terry, of Prospect Heights, former manager of the Pal Theatre at Palatine, died Sunday evening, January 22.

Funeral services were conducted Wednesday afternoon from the home of his son-in-law, Tom Underwood, McDonald rd., Prospect Heights, Interment at Elmwood Park memorial cemetery when last rites were bestowed by Old Glory Lodge and military burial accorded him.

Mr. Terry served as sergeant during the Spanish American war when he also acted as war corres-

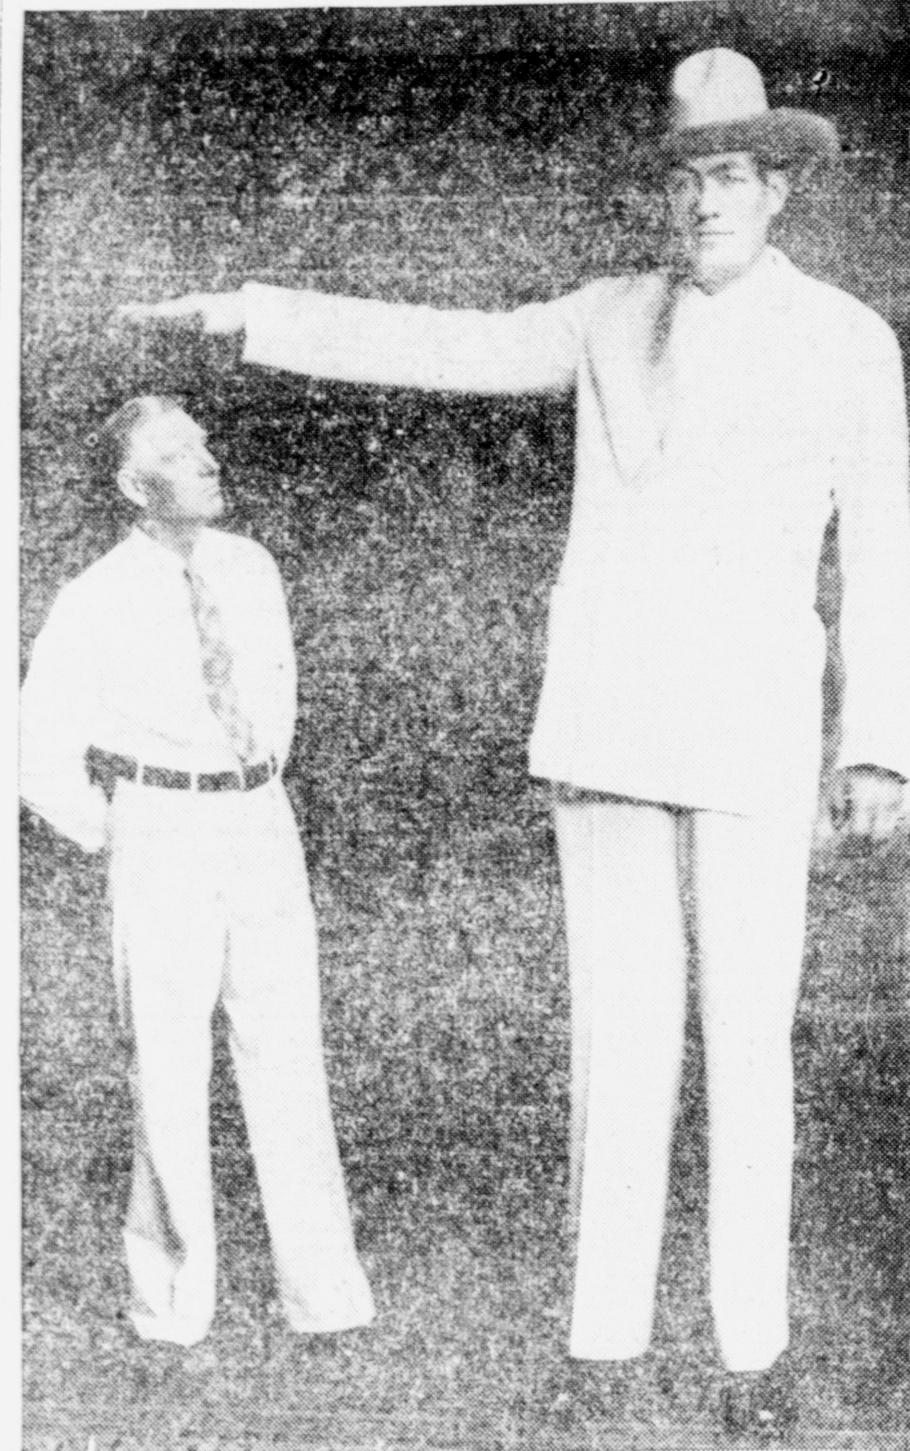

pondent for his home newspaper, Saginaw Evening News. He was recently honored by Old Glory lodge when fifty cars containing members of that lodge surrounded him at his home in Palatine. Mr. Terry was organist of that lodge many years.

Deceased was a member of McKinley post Spanish-American war veterans, National union, Palatine Lions club and Old Glory lodge.

He leaves to mourn his death, his widow, a daughter, Mrs. Tom Underwood, a son, Arthur Terry, a sister, Mrs. M. E. Decker, two grandchildren and one great grandchild.

Harry King Terry was born March 25, 1869 at Saginaw, Mich. August 30, 1890 he married Miss

Eight Feet Seven Inches Tall!

Cliff Thompson, 8 foot 7 inch giant shown above with his father, a man of normal size.

After many years of circus and vaudeville appearances, Cliff Thompson, who is known as the world's tallest man, has turned to the business world for his future livelihood. He is now employed as a salesman.

Thompson is a native of Wisconsin, hailing from the village of Scandinavia in Waupaca county. His father, Julius, is a farmer and a man of average height. The giant's mother is also of normal stature, as are his two sisters.

He graduated from Stevens Point State Teachers College majoring in science and mathematics, with the intention of becoming a teacher, but by that time he had attained such height that he found the teaching business to be more lucrative.

"Cliff" is a likeable fellow and aside from his unusual height is normal in every way, although he does admit he will eat more than the average man. He is 34 years of age and single. An interesting sidelight on his stature is revealed in the fact that he did not stop growing until he was 27 years of age.

Some statistics regarding this giant are interesting. He is 8 feet 7 inches tall, weighs 490 pounds, wears a size 22 shoe, a size 9 hat and measures 44 inches around the waist. Some idea of his size can be gained from the fact that he wears a ring on the middle finger of his left hand through which he can slip a half dollar. With the exception of neckties all clothes worn by Thompson have to be made to order.

He will be guest of Edwin Wille, Blatz jobber, Friday and will visit Arlington Heights, Palatine, Mt. Prospect and Wheeling that day. He will appear in Arlington Heights at Stubby's Heidelberg Inn.

City's History on Stones
At Shan in Shensi province, China, is a temple with a collection of more than 1,000 stones called the Pei Lin ("Forest of Stones") on which the history of the city has been inscribed by succeeding generations.

Ida Wells. Two children were born. Coming to Chicago in 1900, deceased was a mail carrier thirty years when he retired to Palatine which was his home until last September when he moved to Prospect Heights.

Many Stradivarius Violins
About 400 to 500 out of the 1,000 or more instruments that Stradivarius made are still in existence, a few of them are in the hands of famous violinists.

Meaning of Perfume
One of the earliest uses of perfumes was in religious ceremonies, and the very word is derived from the latin "per fumum," meaning "through smoke," referring to the smoke of incense and other burnt offerings in the temples of the gods.

NOTICE TO CREDITORS

Notice is hereby given to all persons holding claims against the office of the Wheeling township highway commissioner that itemized claims against that department must be made within ten days from this date.

The cooperation of creditors will enable the new commissioner to start his duties with a clean slate and insure early payment of all past due claims.

Have You Seen What Has Happened to GAS RANGES?

Designers, Homemakers, Manufacturers Have Changed Them to Marvelously Better Cooking Appliances!

Many Styles and Models of Modern Gas Ranges
Now On Display at Your Gas Appliance Dealers!

● Look! Maybe you're missing something. Maybe you think Gas Ranges haven't changed much...are pretty much the same as they used to be. Well then—prepare to be surprised!

For the old Gas Range has changed—tremendously! Newly-designed burners are faster, more efficient. New high-

speed broilers are smokeless, and spatterless. Ovens are larger—super-insulated to keep heat out of the kitchen. In these and scores of other ways, these modern Gas Ranges are new, different, better. Really, it's worth a trip to your Gas Appliance Dealers just to see them!

NOW...at Your Public Service Store!
